ROSSI CIRCUIT JUDGE RIFLES AND SHOTGUNS

WARNING

1. The Rossi .45/.410 Circuit Judge is sold in North America only as a rifle.
2. No smooth bore versions of the Rossi .45/.410 Circuit Judge are imported or sold in North America.
3. Conversion of the Rossi .45/.410 Circuit Judge Rifle to a Smooth Bore Shotgun is impossible because there are no parts available in the United States.
4. Due to the complexity of the firearm any conversion from its original configuration would have to be under the supervision of a highly competent gunsmith.
5. Any changes made to any Rossi Firearm by anyone other than BrazTech LC, voids the warranty, and may prove to be dangerous including serious injury or death.
6. Please note that the Rossi 28 Gauge Shotgun is sold as a smooth bore shotgun only. It may be illegal to sell in various states or jurisdictions since it is a revolving cylinder shotgun – and is not rifled as is the Rossi .45/.410 Rifle.
